

# C60 Power Gift Guide

## Winter Edition

# Why C60?

## C60 Power is the Ultimate Antioxidant

Carbon 60 (C60) is a powerful antioxidant that works at the cellular level to lift the oxidative burden and neutralizes toxic free radicals that contribute to aging.

C60 helps to **boost mitochondrial function**, C60 **supports a healthy immune response**, and C60 promotes a **balanced inflammatory response**. Most people who make C60 a part of their morning routine, daily, for at least 30 days, note an **increase in energy and mental clarity**. People who commit to C60 for a year, or longer, tend to report significant positive changes in their overall health.

Now what happens when you combine healthy organic oils with 99.99% pure, sublimated C60, like C60 Power?

You'll enjoy delicious flavor and the ability to neutralize toxic free radicals and oxidative stress at the cellular level before it negatively affects and prematurely ages your body!

But please note, not all C60 companies are created equal. At C60 Power, we incorporate 99.99% pure, sublimated Carbon 60 (never exposed to solvents) in all the products we manufacture. We third-party test all our products to ensure safety, quality, and bioavailability and offer a 100% satisfaction guarantee so you can feel confident about your purchase of C60 Power.

So, go ahead...give yourself permission to enjoy a spoonful a day of this delicious, nutritious, powerful oil (or consume a delicious gummy) and use C60 as both a tool to support your wellness and an inspirational ingredient to create healthy masterpieces in your kitchen! 😊

C60 Power is a wonderful gift for family, friends, or anyone you care about that would enjoy experiencing more energy and mental clarity.
