Give Your Body a Little Backup

Natural Help After a Big Night

[Travel Kit](#)

Hey, we get it—sometimes a little overindulgence happens. One of the biggest culprits behind hangovers is dehydration. Thanks to its unique molecular structure, C60 may help support cellular hydration by penetrating cell membranes and promoting balance from within.

Our **Travel Kit** is a convenient way to support your body when you're on the go. It includes a 2oz bottle of our C60 in Organic Avocado Oil—our lightest, easiest-to-digest formula—and a pack of our delicious, easy-to-take C60 Gummies.

While C60 isn't a cure-all, it's a powerful addition to your wellness toolkit. And of course, always remember to drink responsibly and in moderation.
