30 DAY C60 CHALLENGE JOURNAL

Letter From Jess

Hello Friend,

Congratulations on making the decision to start your C60 Journey!

Sometimes just one small change in our daily habits can lead to the beginning of an amazing transformation.

At C60 Power, we've been honored to witness C60 positively impacting the lives of thousands. As a company, we'd made it our mission to educate consumers on the science behind C60, while also making it clear that it is not an all-encompassing instant fix.

C60 is not a drug. C60 is a powerful antioxidant that works best when used in conjunction with other healthy lifestyle choices such as: proper nutrition, eating organic when possible, getting regular exercise and quality sleep, breathing fresh air and frequent exposure to sunshine.

C60 works at the cellular level to lift the oxidative burden. It's characterized as a "free radical sponge" and helps to optimize mitochondrial efficiency.

As is true with most things, consistency is key. This is where our 30-day C60 challenge comes in!

We created this journal to be your companion for 30-days while you commit to consistently taking C60, journaling about the serving size and how you're feeling. We recommend incorporating C60 into your daily routine. It's as easy as adding a teaspoon a day of your favorite flavor to your coffee, tea, or smoothie in the morning, or taking it by itself.

Our hope is that this process will help you understand how your mind and body respond to C60 and you'll learn what works best for you.

So, let's get started by taking this first step together. I am so excited to start this new journey with you!

Cheers to you and your health!

Sincerely,

Jessica MacNaughton

Cinnamon Golden Milk Boba

Cinnamon Golden Milk Boba is a fun, health-boosting twist on a classic bubble tea. It's perfect as a soothing treat or a nourishing pick-me-up! To get the most health benefits, you can use milk with calcium and vitamin D, and limit the amount of honey or syrup you add.

Allergy Info: GF, DF, V - Contains coconut. Do not use gummies if you are allergic to coconut, using blood thinners, or are pregnant or nursing.

Ingredients

- 2 cups unsweetened canned coconut milk
- 1 Tsp ground turmeric
- 1/2 Tsp ground ginger
- 1/2 Tsp ceylon cinnamon
- 1 Tbsp honey or maple syrup (optional)
- 1 Tbsp Cinnamon Flavored C60 in MCT Coconut Oil (added after cooling)
- 4 C60 Gummies, cut into small circles (for boba balls)

Instructions

1. Prepare the golden milk:
2. In a small saucepan, combine the coconut milk, turmeric, ginger, and ceylon cinnamon. Heat gently over low-medium heat until steaming but not boiling. Stir continuously to prevent scorching. Add honey or maple syrup if desired.
3. Cool and infuse:
4. Remove the golden milk from the heat and allow it to cool to room temperature. Once cooled, stir in the Cinnamon Flavored C60 in MCT Coconut Oil to preserve its health benefits.
5. Prepare the boba balls:
6. While the milk cools, cut the C60 gummies into small circles to resemble traditional boba balls.
7. Assemble the drink:
8. Divide the gummy "boba balls" between two glasses. Pour the cooled golden milk over the top. Add ice if you prefer your boba chilled.
9. Serve and enjoy:
10. Stir gently to distribute the boba balls and sip with a wide straw or spoon.
