# Cinnamon Golden Milk Boba

Cinnamon Golden Milk Boba is a fun, health-boosting twist on a classic bubble tea. It's perfect as a soothing treat or a nourishing pick-me-up! To get the most health benefits, you can use milk with calcium and vitamin D, and limit the amount of honey or syrup you add.

**Allergy Info:** GF, DF, V - Contains coconut. Do not use gummies if you are allergic to coconut, using blood thinners, or are pregnant or nursing.

## Ingredients

- 2 cups unsweetened canned coconut milk
- 1 Tsp ground turmeric
- 1/2 Tsp ground ginger
- 1/2 Tsp ceylon cinnamon
- 1 Tbsp honey or maple syrup (optional)
- 1 Tbsp Cinnamon Flavored C60 in MCT Coconut Oil (added after cooling)
- 4 C60 Gummies, cut into small circles (for boba balls)

## Instructions

1. Prepare the golden milk:
2. In a small saucepan, combine the coconut milk, turmeric, ginger, and ceylon cinnamon. Heat gently over low-medium heat until steaming but not boiling. Stir continuously to prevent scorching. Add honey or maple syrup if desired.
3. Cool and infuse:
4. Remove the golden milk from the heat and allow it to cool to room temperature. Once cooled, stir in the Cinnamon Flavored C60 in MCT Coconut Oil to preserve its health benefits.
5. Prepare the boba balls:
6. While the milk cools, cut the C60 gummies into small circles to resemble traditional boba balls.
7. Assemble the drink:
8. Divide the gummy "boba balls" between two glasses. Pour the cooled golden milk over the top. Add ice if you prefer your boba chilled.
9. Serve and enjoy:
10. Stir gently to distribute the boba balls and sip with a wide straw or spoon.
